SINNERS BODY SPLASH · PLACEMENT GUIDE

Each piece is printed separately so it can be nested on the gang sheet. Shown at 160% on Guilty Pleasure; the layout is the same for all four scents.

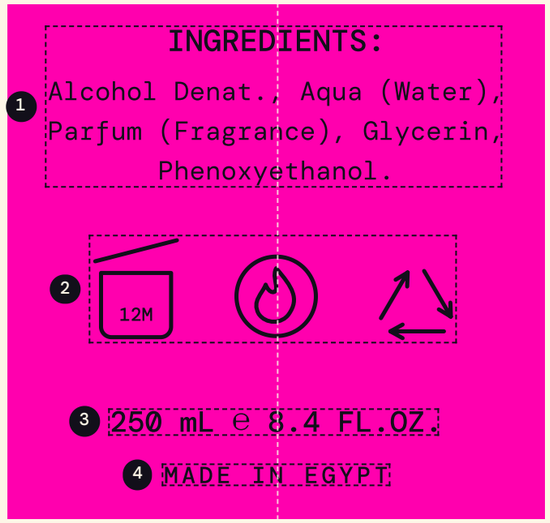

FRONT

	Piece	Ink size	Gap above
1	Logo	50.0 × 21.4 mm	—
2	Body splash	31.3 × 2.2 mm	6.0 mm
3	Scent name Blue Devil 30.5 · Green with Envy 49.5 · Guilty Pleasure 48.0 · Sweet Poison 39.8 mm wide	48.0 × 7.6 mm	7.8 mm
4	Volume	33.1 × 2.2 mm	35.1 mm

Every piece is centred on the same vertical line. The first piece sits 2.4 mm below the top of the 54.8 mm wide print area; set that start height to suit the bottle, then keep the gaps.

BACK

	Piece	Ink size	Gap above
1	Ingredients	45.9 × 15.9 mm	—
2	Symbols	36.8 × 10.5 mm	5.3 mm
3	Volume	33.1 × 2.2 mm	7.2 mm
4	Made in Egypt	22.6 × 1.7 mm	3.5 mm

Every piece is centred on the same vertical line. The first piece sits 2.6 mm below the top of the 54.8 mm wide print area; set that start height to suit the bottle, then keep the gaps.

Files
One file per piece per scent in *labels/<scent>/pieces/*, as PDF and SVG. Each artboard is the ink plus a 0.5 mm clear margin; set the nesting gap in your RIP.

Volume ×2
The volume piece is the same on front and back: print 2 per bottle.

Per bottle
8 pieces: logo, body splash, scent name, volume ×2, ingredients, symbols, made in Egypt.

Measurements
Sizes and gaps are ink to ink. Logo 50 mm wide; everything else is in proportion.
